“Heart of Gold” are the words used to describe Dean. If the stories and the memories were collected and printed, the book would head the best seller list.

Over the years we have shared much laughter and created so many memories. Dean has always been there for our family. She has celebrated with us during life's most memorable moments and embraced us with love and compassion during difficult days. If Mom and Dad were living today, I know they would echo these sentiments.

Dean, Kelly, and Gary are considered family members. Thanksgiving will not be the same without Dean's cranberry salad. And we can't imagine our corn parties without her.

Kelly and Gary - our love and prayers are with you during this difficult time and we pray that God's perfect peace will carry you through the days and years ahead. We are here for you - now and always.

We love you,
Mike and Becky Huber

“ There are no words to express our gratitude for your kind words and love throughout the years. I'm amazed how God works all things out and brings people into our lives just when we need them most. So grateful He picked you and your family for us. Love you all!

“ Deepest sympathies from the Ader family. Our thoughts and prayers are with the entire family.
Kelly, my dad, called, to let me know, about your mom and to let, you know, he specifically, wanted you to know, how much he thought of your mom. (He called me 3 times during my work day, trying to let me know. Kind of scared me. He just, wanted to let me know.)
Your mom was a beautiful person, inside and out. She was a great cook, decorator and charming and passed these qualities, to you.
I remember having "charm" lessons, at your house, for our girl's guild. I learned how to walk with a book on my head, and how , not to bite my fingernails. I learned, by your mom's example, how to love our Lord and Saviour.
Sincerely, with love and prayers,
Dianne (Ader) Ringel

“ Dianne - Your kind words about Dean brought back so many memories for me as well. I, too, recall the charm school held at her house. You stated that Dean led by example - and what a mentor she was for all of us.

So many memories of our Immanuel Baptist Days. Your family has always been very special to us as well. God is so good. (Becky Stumph Huber)

“ At a loss for enough words to say what Dean's friendship and love meant to Hank and me and our children through the years! She and Kelly blended as part of our family and Gary,too, after marriage. It is so devastating to lose family. We have so many memories together! We also know she is with her heavenly Father and are comforted by that!

“ Dean was always very much a lady. I remember how She would laugh at the way Bod would pronounce her name. My condolences, Kelly, you had a first class mother.
