“ I met Joelle through Bridge Club and over the years found out how truly wonderful she was. She loved her family and especially little Jack. She would always show me pictures of him. She was so happy to see her son get married and always talked about Glenn and her daughter and son-in-law. She had a great faith and love for her friends. I have prayed for her every night since her diagnosis but the Lord wanted another angel in Heaven with Him. I am so sorry for the grief you are experiencing now, My prayers are now for you, that's what Joelle would want.

“ I will always remember Mrs. Stitsinger contagious smile and how she has such a passion for teaching and helping every student she came across. She was such a lovely lady and I am honored to have had her as a teacher for Spanish those 2 years at Wilson. Prayers to the family. Fly high with the angels Mrs. Stitsinger.

“ My heart goes out to the Stitsinger family. I started working with Joelle when the Freshman Campus opened in 2004. She became a dear friend. When she retired, we continued our friendship by meeting for breakfast or lunch at establishments in Hamilton because supporting local businesses was important to her. Her greatest accomplishments were her children, Matt and Elizabeth. She was proud of them and so grateful that she was able to witness them declare their love to their soulmates, Holly and Greg. Jack Henry, your Grama loved you with all her heart. My favorite photo is the one of you eating spaghetti for the first time. Glenn, I will remember Joelle as a wife, a mother, a grandmother, an educator and a dear friend-but also as a warrior. The tears I shed are for me. I know she is at peace, and she will always be with us because "...to live in the hearts we leave behind is not to die." Thomas Campbell, poet.

“ In 1986 I was hired in Hamilton to teach French at Wilson Junior High School. Joelle was one of my very first contacts there. She was welcoming, encouraging, and helpful...and she remained so throughout the rest of her life. She was always patient and kind...admired by fellow teachers and students alike. In 1999 I left Hamilton to teach in another school district, and in 2015 I retired and moved to North Carolina. But Joelle and I remained friends...getting together routinely when I visited Ohio. We would reminisce about our school days, update each other on our children, and share photos of our grandchildren. I will miss you, my dear friend...I already do. I am glad that you are now free from illness...and smiling down upon us from heaven.

“ Mrs Stitsinger was a someone you never forget. She was full of knowledge and wisdom. She was patient and inspiring. I will never forget how she would laugh at her own jokes during Spanish class, with a smile that was contagious. Mrs Stitsinger made me feel smart and special during a time when I was doubting those qualities in myself. Her teaching style greatly influences my own. May God bless the family during this time. My prayers and thoughts are with you.
