“ My condolences to Pete's family. Pete was one of the nicest and most generous people I ever had the chance to know. His laughter was infectious and he told the BEST stories at work! RIP and Godspeed, Pete. You will be missed!

“ Pete and I worked together for over 36 years (Bell Labs etc.). I could always count on him for not only good advice but a dependable sense of humor that made the day worth while. He had an infectious laugh and a smile that warmed the room.

“ Peggy, Pete left a legacy of smiles and friends at Bellcore/Telcordia. I learned so much from Pete. Every conversation started with a smile. I will always cherish his friendship and the memories.

“ I'm so sorry to hear about Pete's passing. He was a great guy and co-worker (CSO/ Bellcore/Telcordia). He was a team player and was always willing to help anyone who needed it. His hearty laugh always made all of us laugh. I have many good memories of our lunches at Mei-Mei's with Pete and good friends. We always had a lot of laughs. My condolences to Peggy, his children, grand children and all those that loved him.

“ Peter was a great guy to have as a friend. He was always dedicated and hard working in anything he was involved in. A great memory was the visit and the luncheon we had with Lou Rizzo, George Cimis and our Mayor Bill Laforet before he left for Hamilton, Ohio.
It is too bad that when he was ready to enter a new chapter in his life that it didn't last that long. Peggy thank God will have the support of her loving family.
May Peter rest in peace and he will be included in my daily prayers.

“ We became friends with Pete when Alice was having water therapy for recent surgery! From then, both of us enjoyed Pete's intelligence & sharing the same interest in politics! Pete had a laugh that made everyone smile! Peggy's love & attention to Pete was an example of their devotion to one another! Yes, we will miss Pete!
