“ *Mr Senol was a very kind man. My family shared a duplex with his family when we first moved to Hamilton. He was great with all the children. I remember him carving a wooden boat for me. He seems to have touched the lives of many people in a positive and loving way.*

“ *Ayla- I still remember how funny your dad was when I came home with you from college for a visit. He had a bit of Archie Bunker in him which always made me laugh. My best to you and your family during this time of loss. Hugs and prayers,*
