“ John you and you family are certainly in our thoughts and prayers. Our dear sweet friend has now gone on to her new home. Someday we will all be with her again. We love you and are always here for you.

Some of the best memories of Alladean are the many times we played Hand and Foot cards. She was ALWAYS so pleasant and we laughed a lot ever if we lost the game. I'm glad we have had the privilege to have know both of you.

“ Alladean always seemed to have a smile on her face. I remember renting videos to her when I got a job at a video store working through college. I recall visits to the house during the holidays to see the Christmas lights.

“ sorry for your loss, Dan and Wanda and family, I have so many great memories of this friendly, kind, and special Aunt. We loved her dearly, and she use to call just to tell of us her love for us. When I grew up with all the Aunts and granny we shared many memories, thanksgiving and Aunt Alladean baking a turkey, and sandwiches for days is a very fond memory just visiting and spending time with their family, thank you Aunt Alladean I will always cherish the memories, and Granny and the rest of my Aunts. They are all going to be truly missed by all of us. Also, loved her smile and memories of long ago with dad and her mother and sister she loved to share with me.
