

# Andrew Huntington Parrish

November 24, 2005 - October 7, 2024

Andrew Huntington Parrish was born on November 24, 2005 and passed into the loving arms of his Heavenly Father on October 7, 2024. Andrew is the beloved son of Krista and Bret Parrish. He is also survived by his older sister, best friend and confidant Paige Parrish, his grandparents Kathy Chester, Jackie and Lee Parrish, Carolyn and Earl Chester, his aunts/uncles Jill and Mike Mitchell, Kara Chester, Shannon Chester Marshburn, Erin and Michael Chester and his cousins Katherine, Matthew and Caroline Mitchell, Matthew Marshburn, Ian and Alexis Chester.

Andrew enjoyed more love of life, family, friends, adventure and service to others in his short life than many who live a long life. Singing from an early age, he participated in many musical theatre productions, was a member of the Cincinnati Boychoir and attended many concerts throughout the country. His parents lovingly called him their "little song bird". He had so many interests. He loved to travel from an early age. In elementary school he spent several weeks in Australia with a Bethany School group. He loved going to amusement parks all over the country to ride roller coasters with friends and family. As a teen, he loved weightlifting, running, double-black diamond snow skiing, water skiing and surfing in Walloon Lake, Michigan, a place he especially loved, and mountain climbing, including summiting Mount Kilimanjaro in Africa and Mount Shasta in Northern California.

Andrew, a first year student in the McCombs Business School at the University of Texas, was intellectually curious and accomplished. Following in his grandfather Lee's footsteps, he pledged the Sigma Chi Fraternity and joined the Longhorn Racing Club. He was a National Merit Finalist and loved business, engineering, math and science. He valued the leading entrepreneurs for their foresight and willingness to venture into the unknown. Andrew had an extremely strong faith in God. This faith in God was a constant his entire life. He was involved with the Crossroads Student Ministry and made several service trips with Son Light Power to Puerto Rico and Honduras. He loved attending the outdoor adventure Christian camps of JH Ranch in California and the fun-filled Christian camps of Crossroads Church.

There will be a celebration of Andrew's life at the Crossroads Church, 990 Reading Road, at 1:00 p.m. on Saturday, October 19th. The family requests that in lieu of flowers, donations may be made to the Crossroads Church, 990 Reading Road, Mason, OH 45040. Please add "in loving memory of Andrew Parrish" in the memo line so funds may be directed to the student ministry which impacted Andrew so deeply.

“ I am so sorry to hear about Andrew's passing. I went to Chca with him for only a short year and a half but i will never forget the fun Andrew, some other classmates and I had in AP Chemistry junior year. We were all constantly laughing and goofing off together and his contagious smile will most certainly be missed. I will also miss talking about classic country music with him, one of his and my favorites, especially Brooks and Dunn. Sending so many blessings and condolences, he is most certainly deeply missed.

“ I'll never forget his bright and loving spirit. His love his family never fell short. Countless days of Andrew coming downstairs at the Parrish house to play nerf wars (Andrew + Bret v Paige + me). Always wanting to be apart of the fun games growing up. Even at Paige's birthday parties you'd find him joining in on whatever adventure there was. Pool day games, zip lining, or wakeboarding Andrew would be the first one to volunteer. I remember Church plays at The Presbyterian Church and Andrew loving his spotlight. Paige and I holding back laughter on stage because Andrew had such an outgoing and free spirit. But using his talents to serve the Lord. He never failed to make me laugh and always added fun and energy to the story. When I think of Andrew I think of his bright smile and endless energy. He always lit up the room he walked into. □

*Dear Krista and family,  
Our family knows this traumatic experience well as we continue to grieve the loss of our precious Jonathan. He was so excited when Andrew came to CHCA. Their grade was low in boys at the time and he was happy to welcome him and do things in theater and choir at CHCA with Andrew. In the night when I ask the Lord for comfort, He graciously brings worship songs and verses to mind that help. He is near to the brokenhearted and I've been praying for peace and comfort and God's protection over you and your home as you grieve such a precious life as Andrew. I wouldn't be surprised as soon as Jesus was wrapping His arms around Andrew that Jonathan came running to have a turn to welcome Andrew to the perfection of glory. What a time they will have singing and worshipping together. Eventually the peace that passes all understanding will come and permeate your soul in moments of processing such an unimaginable loss. Later when you may feel alone in this journey of this type of child loss, know that you have a mother nearby that is walking the same path and praying for your healing.
