“ *There are not enough words that can describe what an amazing woman Anita was. I looked forward to going to her room at Westover. She always had a smile on her face, and we had many laughs together. She will always have a piece of my heart. Prayers for her family that she loved so dearly.*

“ Janet Schauer shared with me the passing of Anita, her cousin and my mom’s as well. The family of Lillian Falde Byre send our condolences. Our mother spoke of her Uncle Adolf, Anita, and her siblings with fondness. The Falde family has been so kind to remember our mother and we her children though mother’s dad, Levi, passed away when she was four. Her sister Irene was three and her brother Levi Junior, Bud, only an eight month old baby. All three have passed away. Anita’s obituary and slide show was special in revealing her life and gifts to the world. I was grateful to have been able to view both. Thank you for posting them. May the Lord bless and comfort you, her family. Juel Byre Harms

Anita had been a special cousin to me & my other Falde Families. Tho we were always miles apart we always kept in touch. Had a great visit with Anita & Kathy 5years ago in her last home when I & some of my daughter Tricia's family returned to ND from NC. God Blessed us all with her life & her extended families in ours.

“ *I first met sweet Anita at Westside Early Education Center where we worked together. She took care of tge infants and I was so taken by her gentle ..loving ways . She always had a smile and a hug for everyone. It loved hearing her stories of when her husband was in the Coast Guard. She was one of God's special people and a blessing to all who were lucky enough to know her.*

“ I remember Anita being one of the sweetest and kindest Christian ladies I ever met. She always had a smile and could laugh so easily. She was always grateful for any kindness that anyone showed her, and would send a message thanking people for gifts and cards. I remember taking her home from the old Immanuel church on Ridgelawn one wintry night. I turned on the spray to clean off the window and it froze on the window. She just laughed. What a precious soul she was, and now she is in heaven. Praying for all the family. Ruth Ann Horn

“ Anita always had the sweetest smile and kindest heart. I have a card she gave me that tells about angels and I have it on my bathroom sink and have had it there for years. It's the first thing I see every morning and it always reminded me of how lucky I was to call her friend. What a blessing!❤️
