“ Brenda was a kind caring woman. I first met Brenda when I was 19 working as Mr Butcher's assistance at Talawanda. She was a mother away from home. My wife Angel and I were grateful to to Brenda for hosting a baby shower for our daughter Julia and inviting many of Angel' s high school friends. I got to visit Brenda last summer and she was the same beautiful person. She loved her family and she will be missed by many. With much love Bruce Hurst and family

Brenda was one of my neighborhood friends growing up. The fishing trips, skating rink and later on the night life we shared. I was there when she first met her husband. She will be missed. Condolences to all her beautiful family.

Brenda always had a sparkle in her eyes and a smile for everyone she met. Although I haven't seen her in a few years, I still cherish memories from when we were children and teenagers. God bless and comfort her family in the days ahead.
