“ I always called my uncle My Great Uncle Brooks because he was Great. He was always kind and considerate and even traveled many miles to attend my high school graduation in Louisville and years later my wedding in Memphis. While I was attending The University of Kentucky and playing on the Volleyball Team we played Miami University in Oxford, Ohio. After the game driving the UK Van the entire team surprised Brooks and Edie when we pulled into their driveway unannounced! Brooks was shocked and Edie was the perfect host as usual. Sorry and sad to hear of The Great Uncle Brooks passing.
