“ We would like to express our sincere condolences to you and your family. With deep sympathy, we share your sorrow, after the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, this is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us. May God give you the strength to endure the pain you are going through and may he embrace you and comfort your family during this difficult time."Jesus said to her: 'I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life.'" - John 11:25

“ Carl was a great man, father, and grandfather! He loved his girls Gabby and Carly! And was a dear friend! I had the distinct honor and privilege to lead him through a prayer assuring him of his salvation in the Lord Jesus Christ! Something he told me several other folks had tried to do, but he wouldn't let them! After hearing that, I knew the Lord had sent me to the VA for a specific reason! We are going to continue to pray for the family and ask that everyone please consider joining us, God bless!
