“ Happy Birthday Mom! Our "Year of Firsts" without you has gone by so fast but there isn't a day we don't think of and miss you. We are often reminded of your presence by your favorite song on the radio, shooting stars, birds singing in the early morning sunshine, and "wishes" coming true.

*Always in our hearts-

“ I was saddened to hear that Carol has passed. Your mother, grandmother, aunt and friend left behind a legacy of kindness and love. I'm blessed to have known her. When she lived at the Heritage Apartments she blessed so many neighbors and friends daily with her kind ways. I was glad that she had the opportunity to live close to her family north of here in her final years. I know you will miss her, we do too.

*Blessings,

“ Love to Sherri, Mike and Jennifer and their wonderful spouses and Chikdren. Carol was so proud of all of you! It's hard to wrap up a lifetime of memories into a few short words what this woman meant to me. I have snippets of memories of her when I was very young - laughing and joking around, giving us all vaccines at the farmhouse, so proud to see her in her nurse dress whites, her girlish laugh and in later years, I clung to her advice and wisdom and her unconditional love. Thank you, Auntie Carol. You are now In Paradise with all those who have gone before us.

“ So sorry I couldn't make the service. Sad to hear about Carol. She's been in and out of my nursing life since I was fifteen and worked as a Nurse Aide at Fort Hamilton Hospital. She was a young nurse in Nursing Service and a supervisor to me. Years later, when she was Director at Hughes Memorial, she coerced me back to work after my second child was born. Still later, she reported to me via Quality Management at Mercy Hospital. Then we touched bases occasionally at Taft Place Medical Center. She was a sweet, delightful lady who always made me smile. I miss her already. My condolences to all of her family members.

“ Aunt Carol told me my dad called her most every evening at 10. This is the family I blessed to born into. My cousins are my friends. Aunt Carol and Dad were best friends. What a legacy! After Dad passed, Aunt Carol was there to support and advise whenever needed. She was wise and loving with a caring heart.. Harriet and I are sharing in your sorrow, and we love you all very much.

*Deepest sympathies on the loss of your Mom from the cousins you don't know here in Cincinnati. Our Dad and yours were first cousins. Your grandparents Bob and Dorothy Nolan were wonderful people. Bob was our paternal grandmother's brother. I remember being at your parents wedding back in 1971 when I was in high school. Your Dad had taught at Glen Este and was good friends with 2 of my junior high teachers Jim and Nancy Starkey. I remember your Mom was a lovely bride and your Dad was very happy. I am sorry we never got to know all of you.*
