“ Carol had such a sweet and gentle spirit. She was generous with the kindness she showed others (part of a Driehaus family trait). I celebrate her life and am grateful for knowing her. I pray for peace and comfort for those closest to her. I'm so sorry for your loss.

“ My favorite memory of my cousin Carol is when I spent a month with Carol and her family during the summer of 1970. We were camp counselor helpers at a day camp and also spent a week at Huston Woods. It was my absolute favorite time of that summer. We had the best time together. We thought her sister Mary was so wise and knowledgeable and loved Rose who added to our adventures. Carol and I accompanied our grandmother and grandfather and Uncle on a trip to Washington DC. We had such a great time. We were both in the 7th grade. It was very memorable. Lots of swimming pools and fried chicken. We were best friends growing up and I always cherish those memories because they are truly some of my favorite memories of Carol and us being teens□□

“ Carol! I sure will miss you, but I am happy that you are with Jesus and out of pain! You have such a wonderfully supportive family....they deserve such accolades and the deepest condolences! I will always remember all our girl's nights out and the time that we went to Fort Myers/Sanibel and Marco Island! Boy was that a fun trip!!!

Carol, I enjoyed working with you at Shawnee. We were great partners together. Love how we took care of each other. Thanks for including me at your daughters' weddings. We had so much fun! I will miss our girls' night but we will always think of you! I am thankful you have found peace and your memories will live on with your family and friends!
