“ *Cathy and I were close despite the hundreds of miles between us. Our mothers were sisters and we were loving cousins. We would talk with each other and share memories of grandma Gable and our mothers despite the distance of time or miles. My last visit with cousin Cathy was after Rick died. I cherish that memory of spending time with her. We talked lots of time after that and she always said she wanted to drive to IA/NE with her kids. I am sorry that never happened. I will always lovingly remember her sweet "Southern" voice whenever we were on the phone. God bless you, Ryan. NO ONE can say your mother did not love you and Alli with all her heart. She was my beautiful cousin whom I will forever remember and love.*

*Love always,
Cousin Pam*

“ Cathy and I went to grade school, junior high and high school together. She was always smiling! When she and I worked at Mercy Hamilton together, she was such a compassionate caregiver. I was so shocked when I learned of her passing. Cathy, you're reunited with your parents, brother and your sweet Allison, now. No more pain or suffering. God bless you!
