“ To Charlene's family,

I lived next door to Charlene and enjoyed her company. We had a lot to talk about and I was able to enjoy her beautiful flowers. She was always moving flowers around or trimming and making them look nice. Every day was a new day when she was caring for her flowers and I benefited from her unusual talent.

I've missed her so much and extend my condolences to all of you.

Much love

“ I will always remember visits with Skeeter and Charlene. Times of learning how to graft a peach tree to an apple tree, to listening about the grandkids and their dog. Charlene sharing her cooking skills and her wonderful canning techniques. It was always a guaranteed time of fun and laughs. I loved how she shared her beautiful flowers and the skill of growing such gorgeous pots in the summer. She knew I didn't have that green thumb but still encouraged me to keep at it.
She will be missed by so many.
Prayers for your family during this time.
