“ I could not have hand picked a better next door neighbor! He was sweet, kind, and caring--always ready to lend a tool or help with a project; take us out for pizza or to a concert; or share the first of the season watermelon. I miss him.

“ I had the privilege of being his nurse. Immediately we connected. It was such an honor to get to know him and to make him smile. Patients like him make my nursing career worth it. Such an honor.
