“ The world isn't as kind or beautiful as it was since Aunt Cheri left. She reflected the goodness of God more clearly than perhaps anyone I've ever known. - Daniel Brown

Thanks for your prayers Dawna. Haven't seen you since like 1997. More prayers are needed as she left a bigger gap in our hearts than most of us realize. Tony's cousin, Daniel Brown

“ *My deepest condolences to the family. I've known Cheri from when she lived on Coralie Street in Hamilton. I babysat "PJ" when he was an infant. She practically raised me, always supporting, encouraging me to excel. I worked with her at Family Services of Butler County and we have stayed in touch through the years. I'm just crushed by this for it's been a couple of years (since Covid). Rest In Peace my dear sweet friend.*

“ Such a beautiful lady. I bought a puppy from her 9 years ago and still have him. A beautiful dog mixed shihtzu and lhasa ahpso. My handicapped sister named him Boo Boo and we so love him so much! There was always so many beautiful puppies for sale. I would love to have bought more but we can afford only 2. Our condolences to the family and just know that Cheryl will definitely be missed along with the business that she so loved and enjoyed doing! Rest in peace Cheryl and may God comfort the Family during this time and forward!

“ It is so sad to lose Cheri. She was a wonderful person. I first purchased a puppy from her and a few years later one of her dogs "Puppet" and my "Presley" became parents. Cheri and Ray took one of the males and we officially became family. She will be happy in Heaven with Ray and her MANY past pets. She made a lot of people happy while here. GREAT MEMORIES!

“Cheri was the best sister, cousin, and friend you could ever have! She was so loving and gracious to everyone she met. She definitely had a “Big Personality”, as her son Tony says. She adored and loved her family so much! Cheri loved people, horses, dogs, and all animals. She had a sense of humor and enjoyed making you laugh. I admire how brilliant Cheri was, and you could listen to her for hours on all kinds of different subjects. Precious One, you are going to be missed greatly here on earth by everyone in the family. We have the hope in seeing you in Heaven one day. Knowing you, I’m sure you’re enjoying your dogs and riding horses in heaven!

“A sweeter person and friend has never lived except for Jesus. Cheri was so sweet, kind, and complimentary. She was also so optimistic and loved people and animals. I miss her and I will continue missing her until I see her in heaven some day. I appreciate whoever sent the Christmas card she had addressed to me, and I will treasure it always. Many prayers are being said for all the family and loved ones. May God fill you with His peace and let you know that she is in heaven with Him.
