“ I grew up with Chris and we were great childhood friends. I have fond memories of going over to his house and playing action figures. His mom and dad were so kind. I especially remember his mom from Fairfield South Elementary. It's heartbreaking news, but I believe in God and know Chris is in a wonderful place. My thoughts and prayers go out to his family. If they would ever like to make contact, I would love to talk with them. 513-256-5221. I'm so sorry for your loss. Love you Chris!

“ I'm so sorry to hear that my good friend Christopher is now up in Heaven. Chris and I were good friends throughout going to church and school for so many years. He helped me get through alot of dark times and was a light that I could follow out of my own darkness. Words can't express how much that meant to me to have a wonderful person like him in my life then and now. I will miss him dearly and I'll always have him in my heart and mind forever. Thankyou for raising a wonderful man who can never be replaced. My heartfelt condolences go out to you, your family and friends who all knew Christopher. Much love to all y'all, ❤️❤️❤️
