“ *Dan was a year ahead of me at Taft. Dan, Bob Sirk, David Christman, Fred Parks, Neil Butler and I used to play tag football. Dan and I decided to drive his Chevy Malibu to Blind River Ontario and camp out for a week. We had all our camping gear and a map. Got lost on a dirt logging road somewhere in Canada and decided to turn around. Got stuck. Eaten alive by Royal Canadian mosquitos. Pointed the car south to Ohio and abandoned our camping trip. Home the next day. I have never forgotten that adventure with Dan.*

“ Can't quite figure out just what to say. College years. Jaycees. Swims in the Normandy Court pool. The occasional bit of off-the-wall humor that seemed to sometimes be limited to only our own understanding. Love is not too strong a word. Miss him already.
