“ So very sorry to hear of Darlas passing! Darla and I went to school together junior high and high school. Later in life we worked at Pease Company together for several years. We lost touch as we got older but I will never forget what a funny person she was. She loved her children with all of her heart! You will be missed friend!

“ I have so many good memories of and with Darla and couldn't possibly list them all. What a fabulous sense of humor. She could make her coworkers laugh all day which made our workdays so enjoyable and bearable! My favorite memory is one night at a Happy Hour at the old Corvette's. We ladies were thinking it was time to head home and as we we were headed to our cars in the Parking Lot Darla decided to pull a half slip driving her crazy all day off and put it on her head like a hat!! Yeah if that wasn't funny enough, then she slipped on some ice by her car on her clicking heels and slid under her car face up and went entirely under up to her head laughing the entire way down!! I about peed my pants I was laughing so hard. OMG she was so funny at times and would go to any extremes for a laugh. I loved loved that about her. It pulls at my heart strings we lost her this week. I feel we've lost such a great jokester that this world needs more than ever. God bless her and her caring family. Her sweet Stevie Wonder went too soon and she has gone too soon too but I am sure she is reunited with the man she said referred to her as his "little girl". I'm adding a few pics of Darla and our gang which is now missing our sweet and funniest sense of humor gal. I love and will miss you so much. Your Buddy,

Love & miss you so much Darling Darla! Gone way to soon. I have been reminiscing about Metamora trip 10/2022. Karen & Robin were still shopping - Darla & I sat on a bench to rest awhile and share some popcorn. So thankful for that time with the sweetest, kindest, funest human I know 🥰

May you rest in peace beautiful lady:)
