“ I can't believe that my good buddy Dave is gone. We met for the first time in 1968 in DaNang Vietnam. It was the beginning of a 50+ year friendship. He was such a great guy with a quick wit and a wonderful sense of humor. Dave and Etta traveled with Susann and I many times. We always enjoyed their company so much. When we talked over the past year he told me he was sick, but I really thought he would get better. I never heard him complain. I will miss him so much
