No greater love could a sibling have than that for my brother. Attributes from my heart are, loving, kind, generous and fun. He made me laugh. I will miss that the most.

“ *Big Dave was not only a client but became a friend. Always looked forward to him coming into my office and talking. A honest straight forward man.*

Old school , tough, and said what he meant and meant what he said.

Loved his family very much. The world is a lesser place but heaven gained a real man.

Prayers to the family, I know words are never enough ,but pray God give each of you His peace..(Phil 4: 6-7)
