“ Uncle David was one of my favorites because he was always having fun. He would poke us and ask why we were so jumpy. He was consistently kind and genuine. I miss his presence in the world, but draw inspiration to imitate his best qualities. David C. Bauman

“ Dave was a great brother. He and I talked often by phone and he kept me up to date on all the family. Sincere, loyal, God loving, serving so many over his life--especially Mom as he served her so many years with love and adoration. I know he has heard the words of Matthew 25:21 " Well done, good and faithful servant! You have been faithful with a few things, I will put you in charge of many things.Come and share your master's happiness!"  
These words were spoken by Jesus Christ.

*I am very sorry I can't be there for Dave's memorial service, but significant health issues at this time prevent me from making a trip to Hamilton. Praying for an inspirational and uplifting service and for God to comfort all the family and Dave's friends.  
With love to all, Harvey and family*

“ Dave was always smiling and made others smile as well. When a terrible thing happened to my youngest child he was the shoulder I cried on.
