“ Just learned of my childhood friend Denzil passing, very sad. I was just thinking of him last week, Denzil had a very nice mother, brother and sister, always felt welcome in their home. He loved his high school basketball and was so proud when he got his uniform. My prayers are with his wife and family at this difficult time. Recall the house by the RR tracks, train went by and the windows rattled, I started to panic, was looking for a life boat, ready to abandon ship, we all got a laugh out of that one.

“ Denzil and I were friends at Hamilton High School in the 50s. I was saddened to learn of his passing. He was such a fine gentleman . It was fun to see him at a reunion after a half century and learn that he had a loving family and a good life. My positive thoughts and prayers will be with you...

With sympathy...
