“ *I worked with Dolly for several years. She was an absolute joy to be around in addition to being a knowledgeable and caring nurse. The world has lost a truly wonderful person. RIP sweet lady. Charlotte Sanders*

“ *I was fortunate to be able to work with Dolly as a home health nurse. When Dolly walked into a room, she always made the room brighter. She was always upbeat and if you were down, she sure would put her arm around you and say it's OK kiddo. she will be Very much missed. You can rest now Dolly.*
