“ Dear Alan and Kathy ... as you know, your mother, Dolly, was truly A very special person. My fondest memory is sitting with her in the kitchen as she peeled potatoes for dinner. Whenever Marie and I came for a play date, she always fixed mashed potatoes. She knew how much I loved them and never disappointed me! I always felt her love and considered it a privilege and a blessing. I know you will dearly miss her, but she lives on in the hearts of many. I extend my deepest sympathies as you learn to adjust to life without her physical presence. Fondly ... Fran Derickson Middaugh

“ Kathy, Alan, and families,
Bob's daughter Linda shared the news of Dolly's passing with me, and I'm sending my condolences to each and every one of you. I have good memories of visiting with Dolly and Lee many years ago at their home. Dolly was a kind, gracious Christian lady, who I'm sure will be dearly missed by all of you.

“ Mom (Joy Fowler) and I loved Dolly. I remember staying all night and riding horses many years ago! Mom has such great memories from back at Ross Avenue. If Mom's walking ability was better and had the snow not come , we definitely would've been there to pay our respects. Prayers go out to Kathy and Alan and Jill and the rest of the whole family.
