“ I will always remeber the many trips that Brother Don would make to the Frankfort Tabernacle to fellowship, sing, and minister for us. He was one of the few ministers I knew that had no personal agenda, he just loved the Lord and the people with a pure heart, always wanting to be a help and a blessing to others. I saw a simple man who loved himself and his family. Evrytime I saw him he displayed the same solid character, he was his own man. He loved me without condition. We had many phone conversations together. He loved to talk with me about numbers, music and music chords and how they fit into a spititual understanding. He gave me a copy of the last CD recording he made and even gave me a 45 rpm vinyl record that he recorded as a young minister in the gospel. Thank Donald Allen for sharing your character with me and so many, you made a differencein my world.
