“ Don & Nora were our next door neighbors, on Gregory Lane, until we moved (when I was eleven) and you couldn't have asked for a nicer couple to live by. I'm in my mid 60's now and have nothing but positive thoughts/memories of the Hartley's. Johnny Carr

“ Dear Mrs. Hartley and Family,

*As a young city attorney in the late-70's and early 80's, I worked with Don and learned from him the intricacies of local and state health codes. He was a patient teacher and a compassionate, sensible administrator whose practical demeanor served Hamilton and its residents well. Please accept my sincere condolences on his passing.*
