“ I first met Donald in 1968 when we both worked at Fernald as computer programmers. We almost instantly became friends. Donald was such a caring person and always had a positive attitude. Our shared faith in the Lord created a special bond as brothers in Christ. After moving to Virginia in the 70's and losing contact for many years, we re-connected in the early 2000's. Since then, we have visited Donald in Hamilton twice a year ... and our friendship grew even stronger. My dear friend and brother Donald ... Linda and I will miss you so much. Though we hurting right now, we rest assured that we will meet again.

Mary Rose, may God provide His comfort and peace to you and the entire family at this time.

With all our love and sympathy,
