“ *When I am gone, release me – let me go  
I have so many things to see and do.  
You must not tie yourself to me with tears  
Be happy that we had so many years. I gave you love,  
you can only guess, how much you gave me in happiness.  
I thank you for the love each have shown,  
but now it is time I travelled alone.  
So grieve awhile for me if grieve you must,  
then let your grief be comforted by trust  
It is only for a while that we must part  
so bless those memories within your heart.  
I will not be far away, for life goes on.  
so if you need me, call and I will come.  
Though you cannot see or touch me, I will be near  
And if you listen with your heart, you will hear  
All of my love around you, soft and clear.  
Then when you must come this way alone,  
I will greet you with a smile and “Welcome Home”
