“ Beautiful Donna, we feel so blessed to have spent the precious moments we have shared with you through your Tyler, rather in person on your "River tour" or at your home recently. Tyler is your biggest fan and we are sure he would be the first to admit you were one of the biggest influences of in his life.

What a lucky family to have had you at the head of the table!

Having the same birthday as our 9 year old granddaughter Nadia, we think January 27th must be reserved for the most spirited, intelligent, little bit ornery, lovely people! - May your memory be a blessing for all who knew you.

Much love,
Scott and Becky Rodocker, Wheeling WV
