“ I did not know of Donna’s passing till I saw this. She was such a special person. I worked with her at Westover for several years. She was a great person to work with, an excellent caregiver for the elderly. So sorry to hear of her passing. Rip Donna. I’ll never forget our friendship.

“ Debbie, so very sorry to just find out that Donna passed away last month. I wish I could have been there for condolences, but I have been sick with COVID and lingering respiratory issues for two months. Please accept my deepest sympathy for your loss. Donna was the best worker I ever had at Westover; we were good friends. So so sorry to hear. God rest her soul and be with you and your family in your loss.

“ I had the privilege of knowing Donna through her sister Debbie. We shared many pitch in dinners together at White Water State Park. She made the best baked beans. We also traveled together to visit their Aunt in Nebraska we also went to Branson and the Smokies. Rest in peace dear friend. Donna will be missed by all that knew her.

“ Aunt Dee, you were soooooo much more to me than just my aunt, you were my role model & the person/STNA that I always strived to be half as good as! I will miss you so much Dee, but I’m glad you’re not suffering anymore! I love you 🥺

“ Aunt D.. we lost a sweet woman, with an innocence so rarely seen. You were a great aunt, and I am going to miss you, just knowing you are here.
Your pain is over, and are no more tears, you suffered much in this life, over many many years. Rejoice Aunt Donna, you're now free to roam, in the arms and care of Jesus who called you home.
I love you Aunt D... till we meet again 💜
