“ Dear, sweet, beautiful, fun-loving, sincere, there are so many words to describe this lady I have known since I was a little kid in grade school and she was in high school. She was so kind to this little brat! We lost touch with each other for way too long....then one day she called me about someone she was, concerned about....we chatted and giggled about silly things and times we recalled; chatted and giggled through many conversations there after. She and Harvey were meant to be together. Both so kind and devoted to their Lord and to Church. I miss her a lot. Pat

Doris with the infectious smile & nonstop giggle. I loved our family visits to the old homestead as a child. She & Harvey were always so kind & welcoming and they both were full of funny stories. They will be missed and my condolences to the family. ❤️ Carol

I cannot remember any events with Doris where she did not crack us up or at the very least, have all of us grinning ear to ear! What a special gift. What a special and wonderful lady. She and Harvey created an awesome family as well. We will miss them both. Shari, Randy & Lisa and the entire family, so very sorry for your loss. Remember, they are now in the happiest place and in the arms of the best company anyone could keep.
