“ Bob,

I was so sorry to hear of Dot's passing. We spoke at the fireman's picnic in August and she was in the hospital then, but urged you to go and enjoy the picnic. I can only imagine how difficult it is to say goodbye to your life partner, but she will always be with you in spirit and all the memories you have. I pray that God's peace and serenity surround you and your family during this time and that He reminds you every day that He is there for you.

Mr. Huntington, Linda and all the family. Just read Renee Tackett's post and it brought back such lovely memories for me as well. The treats, the welcoming smile, your pool, all that the Mavern Ave. community had to offer to children growing up...and the Huntington family contributing greatly to making it a safe, fun environment. From this day forward, may Mrs. Huntington's thoughts, words, and deeds carry you and uplift you knowing that she uplifted many. When our mom passed I found a quote I will forever cherish and I share it with you now... "When someone you love becomes a memory, the memory becomes a treasure." Hold tight to the memories and the treasures. Peace and Blessings, Tina D'Ercole

“ Dot was a second mother to me from kindergarten on. My mother worked outside the home so she kept a close eye on me growing up on Mavern Ave as her daughter, Linda, and I were inseparable and always getting into one thing or another. She was always welcoming and ready with a smile, a hug, a cookie or other snack. She was a reassuring presence in a small child's life. She was simply love. She was home. What an amazing woman and we are all better off because of her! Much love to Bob, Linda, Nancy, Steve, Mike and the rest of the family. I'm thinking of you and sending you love
