# Tribute Wall

“ I met Doug in Boulder during the summer of 2017. A very difficult time of my life and a difficult time for Doug. We were both fighting our own demons at the time. He was a true friend and confidant. Your humor and friendship helped me in the darkest time of my life. I have been praying for you since the last time I saw you. It breaks my heart today to hear about your passing. I had prayed that you had made it out of there. I wished that you had made it back to your Mom and family. I will never forget your friendship and the laughter we shared . I pray that peace has found you.
