“ *This picture so embodies my memories of Uncle Earl. I hardly ever recall a time when he wasn't wearing that inviting smile and gleam in his eye welcoming you into a conversation and a good laugh. Some of my fondest memories as a kid was when we were together with the cousins. I feel blessed that our parents kept these bonds tight by regular visits back and forth. These outings were filled with all kinds of runkus be it a card game of Spoons or PIG or playing in the haymow flinging pigeon poop at each other hay fort and swinging from ropes into a pile of loose hay. May the memories of these good times carry you through this moment and the days to come. My prayers and sympathy go out to each and every one of you. I look forward to the day we all gather for the next Bowman Reunion and share each other's company. Jeri and Mike Moore*
