“ We at Harper were all saddened to learn of Earl’s passing. When I started working in the shop over 40 years ago, Earl was the one who guided me because he knew everyone and just about everything at Harper. Until the last several years, he would still stop by and say “hello” whenever he was in the area. For those of us who knew Earl, he was a dedicated coworker and truly as good a person as you will ever meet.. Our thoughts and prayers go out to “Dottie” and your family.
