“ We remember Edie always working in her yard. Gardening was definitely one of her many talents. She put her heart and soul into beautifying her yard and it did look wonderful. Her house reflected her creativity as well. It was a warm and inviting place to be. But that shouldn't surprise anyone who knew her because that was just Edie. She was a warm person that always had a smile and a kind word. We will miss her very much. Revs. Mark & Linda Kennedy.
