“ *I worked for Ed Seversen at OC and Liberty Mutual as his administrative clerk / I really hate that Ed did not get to enjoy many more years of retirement with his family and wife Brenda / he was always teasing me about my sister Charlotte who also worked for Ed. He knew how to laugh and he loved the mints I always kept on my desk. I remember the first time I met Ed for my interview and I realized how tall he was as I was only 5ft. Ed will be missed by a lot of people. RIP My prayers and condolences to the family.*
