“ Judy, Jeff, Joel and family, I'm so terribly sorry for your loss. Joe was such a great friend and confidante to me. For ten years we worked together and shared so much of our lives. He was the father figure I needed after my own father passed. I have such great memories of him that I will treasure forever. He offered some of the best advice I've ever received and after all these years I still find myself quoting him often. I've missed his friendship and love and support since leaving the courthouse to raise my family and I deeply regret that we didn't stay close. I'm heartsick over his passing. What a great man. I am truly blessed to have known him. My love and prayers are with all of his family during this time sorrow. My deepest sympathies to you all -- Janis Probert
