“ Dear Sherry,

*Lois and I were so saddened to hear about Erik's death! You must be devastated. We remember his unfailing good cheer so happily! I hadn't been fully aware of what the youth group meant to those kids until I heard Carrie grieving for Eric and those good times. We're hoping to see you at the memorial service - though I have a recent history. You may have heard about my visit to the hospital instead of being at the service for Joan Glatte. Hoping that won't happen again!.*

*Grace and Peace and Comfort,*

*Sherry, I am so very sorry. As you know, losing Shannon at age 34, I can relate to your loss more than some. We are suppose to go before our children do. You are in my thoughts and prayers. Sylvia Savage*
