“ **Mike**

I'm so sorry that I missed the Visitation and funeral of one of my best friends. I dearly love you and Frankie ,she was always so much fun to talk to, you know we always had such fun together.

Remember when we went to see Up In Smoke. You and I cut up so much that we embarrassed Frankie and Diane but had A great time.

Michael C I know how you must miss your mom and I know your children adored her she was so real and sweet.

I Was out of town Friday and didn't read the paper until Sunday, otherwise I hope you know that I would have been there for you guys.

Mike I've been through this and I know how you feel. I am here for you now. Please let me know if there is anything that I can do for you now.

With regret and sorrow, Your Friend

“ *I want to take this opportunity to say I was truly blessed having her as my aunt and she will surely missed by me and each and every life she touched. She was a loving and generous person of both her time and herself. A very family oriented person . Her family was her life...she is going to be greatly missed. Love you Aunt Frankie*
