“ *Gayle was a dear friend. I met her 19 years ago when I started working in the Miami Admission office and we became fast friends. She was a very giving and caring person and kept a positive attitude through out this whole thing. Not many days have went by over the years where I haven't spoke to her..I will miss her very much.*

“ Patrick, your mother was so special to us. She was always so upbeat and fun. We always appreciated her outlook on life. She handled the last few years with such grace and strength.

Gayle came to work with us in our new business several years ago and quickly became a favorite of our customers. She is deeply missed by so many.

Wishing you peace during this difficult time,  
Steve & Susie Sadler
