“ To the Griffith families we are deeply saddened by Gene's passing. Uncle Gene was always a pleasure to talk to regarding Model T and Model A Fords. He and Mom were very close cousins even more so when He and Ruth moved here from Alabama. We will all miss him dearly, much more Mom baking for him. We will keep all of you in our thoughts and prayers as you come together to celebrate his life. Blessing from all of us.

“ Gene was a great friend to my family, we rebuild antique engines for a living and he was always over weekly getting parts and telling us stories of his Model A Days. A great person and friend that will be missed. I know he is giving his wife lots of hugs and kisses again. We will always remember you and your wonderful stories!
