I am sure going to my uncle george. He was great man and I have so many memories of him as a young man. He was always so nice to me. In life some times we go are separate ways. However since my mother (George's sister) and her husband, my dad moved back to Hamilton , I have seen him every time the last five years I have visited my mom and dad. I could not believe how good of shape he was in. He went to the gym almost every day. I nicked name him (The Marathon Man)
