“ *Jim and Luanne*

I was saddened to read about George's passing. Vera and I are in Florida and won't be able to attend the service. Jim, I remember playing wiffle ball in your back yard with George and you. Occasionally George would connect with one of our pitches and send it for a ride. The look on his face was one of pure joy. I will never forget how happy he was on those occasions. He had a heart of gold and will be missed by all who new him. He is now in a better place with your Mom and Dad. Our thoughts and prayers are with you and your family.
