“ My little Gertie. I took care of her at west over. I worked nightshift. I had the pleasure of getting her up every morning. She loved her oldie music and that’s what we listened to every morning. I would dance with her and she would just smile. I left Westover in 2021, so I wasn’t with her when she passed, but I was there when she first came. I will never forget her stories and the impact she made on my life. I love you Gert Gert and hope you’re dancing in heaven. Say hi to my Memamaw for me. Your favorite Night Aide Angel, Sam B
