“ *Dear Larry and Tammy,*

Heartfelt condolences on the loss of your mom. Though I never met Glenna, the wonderful things I've heard from Kristen in years past, combined with the beautiful comments in this guestbook, paint the picture of a very special woman who clearly touched many lives. Each of us only has one mother, and no matter how old she is (or we are) when she passes, it's a deep loss like no other.

Thinking of you and sending love,

“ Larry, Greg and Tammy,
My heart goes out to you and your families. Estel and Glenna meant the world to me when we lived on Carmen Avenue. Growing up across the street from the Tinchers was a blessing in my early years. I thank God that we were blessed to become like a second family. I will miss your mom badly, just as I missed your dad when he suddenly passed in 1976.

Larry, you know you mean the world to me and Karen, even though we're 1000 miles away out here in Dallas, I still see you as my brother.

I have very fond memories of your mom. Especially her devotion to the family and God.

She showed me that God meant everything to everyone.

We lost a true Saint.

Larry, I love you and your family. You only pass through this life once and I'm thankful and blessed that I was able to spend years with all the Tinchers.

Love,

Dan and Karen Hulshult

“ You will never know how much I love you and how much you mean to me. I learned so much from you by the way you lived your life and the way you treated others. When my brother passed away you came to the funeral home and spoke to each family member privately. You hugged, talked to me, and prayed for me and I will never forget that.. Seeing you always brought a smile to my face and I couldn't wait to hug you. I will never forget you and will always love you.
