

Dr. Harry M. Davin

September 21, 1948 - April 7, 2023

Harry M. Davin, M.D. age 74 of Hamilton passed away peacefully among family on Friday, April 7, 2023. He was born on September 21, 1948 to Anna Marie (nee Buckley) and William Davin, M.D. He was raised in Lindenwald and attended St. Ann School. He continued on to Xavier High School and then earned his undergraduate degree from Xavier University. He then attended the University of Cincinnati Medical School, graduating cum laude with his medical degree. After college he had a three-year residency in Internal Medicine at Good Samaritan Hospital. Over the next several years he became board certified in Internal Medicine, Gerontology, and Hospice and Palliative Care, which was his passion. He truly believed in death with dignity and making sure his patients were as comfortable as possible as they passed. He practiced medicine in Hamilton for 40 years before retiring in 2017. In addition to his medical practice he also wanted to give back. He participated in two Jimmy Carter Work Projects (through Habitat for Humanity) in South Africa and India with his brother, Walt, and his daughters and grandson. He also went on several mission trips to Haiti to provide medical care to a remote area of Haiti with his brother Walt. Walt talked him into doing this and although he sometimes grumbled about seeing all the children (he was much better with grown-ups!) he was very proud and fulfilled with his work there. He is survived by his devoted wife of 53 years, Margie; daughters Susan (Philip) Wilder, Dr. Anna (Aaron) Ball; six grandchildren Brett, Riley, and Colleen Schindler, Liam Wilder, Arlo and Ansel Ball; numerous cousins, nieces, and nephews. He is

preceded in death by his siblings Bill, Mary Lou, Vince, and Walt and by granddaughter Katherine. Friends are invited to attend the visitation at St. Ann Catholic Church 3028 Pleasant Ave Hamilton 45015 Saturday April 15, 2023 from 9:30am until the time of the Mass of Christian Burial at 10:30am with Fr. Larry Tharp celebrant. In lieu of flowers, memorial donations may be made to the Katherine Schindler Memorial Scholarship Fund through Badin High School 571 New London Rd Hamilton, Ohio 45013 or to the Alzheimer's Association 644 Linn St #1026 Cincinnati, Ohio 45203. “ Margie,
I am so sorry I could not attend the funeral of Dr. Davin. You and your family continue to be in my thoughts and prayers. I do not have your correct contact information anymore so my card was returned that I mailed (a few weeks ago). Dr. Davin was a great man, Dr, and friend to my family for many years. He supported me through the roughest years of my life, dealing with my ailing parents (especially my father). I will always be grateful for him and for you- you were a great friend to Mom (who has been gone for nearly 18 years)- she really loved you!

“ Dr. Davin was my doctor from when he took over for Dr. Brown (when he passed) until his retirement. He was a very good doctor and also he was a friend to his patients. Very concerned yet also was a very good listener to us when we needed to talk. I've missed him since he retired from practice.

My prayers and thoughts are with his family and friends May you rest in Peace Dr. Davin

“ Dr.Davin was my doctor for about 7 years before he retired.I have anxiety and after every visit he would pat my hand and tell me " it's going to be ok" before he left. It meant so much to me. He will be deeply missed.Thank you Dr Davin for being such a caring doctor!

“ I have wonderful memories of working with Dr Davin. Such a smart man. He was always teaching the nurses. His stories were funny and heartfelt. He was always willing to help anyone in need. He was indeed one of a kind and will be greatly missed by many. Gone too soon. 💜

“ Our mom (Frances Stewart) was Dr. Davin’s nurse from his early days . . . don’t remember how many years she was his nurse, but it was 10 plus.

She loved and respected Dr. Davin, and was extremely proud to be his nurse.

Dr. Davin provided care, at one time or another, for most of our family.

Additionally, he took excellent care of both our mom and dad as they got older.

Our thoughts and prayers are with Margie, Susan, Anna, and all of your families.

May your fond memories of Dr. Davin give you some comfort as you mourn his loss.

He was a good man.

Harry loved Hospice and put up with a lot of misunderstanding and was more than capable of helping others to appreciate the hospice philosophy. My prayers are with family.
