“ My mom Mary Heinrich really thought the world of Herta and her husband Bill. Mom was one of the most patriotic lady I knew. We always loved how he dressed for the Memorial Day and all the parades. I met them a few times. Very fine people. Mom got excited when Mr. and Mrs. Moore would take her to their club to eat. I was told all about it. Mr. Moore always wore the clothes of the period and I admired and also worried about him in those hot clothes on those extremely hot days. Mom worked on the parades and very proud to do it. She was the Grand Marshall of of one and got to ride in the parade along with my daughter who sang the Star Spangled Banner. It was an honor to meet such good folks. I am very sorry on the loss of your mother. Melissa Williamson

“ I had Frau Moore for 2 years of German in high school at Taft Senior High School. I was a kid who never got called to the office and of course one day I got called to the office out of her class for what I think was my only time in high school. It happened to be the day my dad was having open heart surgery and I was convinced something had happened to him. It was just my guidance counselor wanting to talk to me. Bad timing but she was so nice about the whole thing because she knew how upset I was when I got back from the office. RIH Frau Moore 🙏
