“ I will love and miss my dear uncle for the rest of my days. So kind, big-hearted, and a smile and laugh that filled every room with joy! He was always so interested in my life and family, when I was in the Navy and when I returned home. He somehow kept up with us and never forgot to tell me how proud he was of my family and me. He loved visiting us in our homes -- especially our "forever" home that we built in 2020. I'm so glad he got to visit us here! We talked family, Bengals, Buckeyes, Reds and anything that came to mind, because it was so easy to talk with him! The last time he visited us, I made a pot of chili. He said it was THE BEST chili he had ever had! Now, I imagine others have heard this same compliment, but for that moment in time, I know he believed it was true (and so did I!). I'm sending all the love and prayers to his loving family and dear friends and hope that we can take a small measure of comfort in knowing that he is out of pain and resting in eternal peace.
